President's Message

By the time you read this, ski resorts will be making snow. Not only that, but I have been told that there will be three consecutive snow storms in the Sierra's starting on Nov. 4th, and lasting till Nov. 8th.

Well, are they right? Are my sources any good? Are you ready to ski on Thanksgiving weekend?

I hope that you are signed up for the General Meeting on Dec. 6th at Sequoyah Country Club. We will be giving away lift tickets at that meeting so I hope you come and celebrate the Holiday Season with us. Contact **Pat Green**. The Club is subsidizing the cost of dinner to keep the cost down. Chicken is \$38 and Salmon is \$42. Wine with dinner will be available for purchase. This event is not a formal event but remember jeans are not allowed.

The cabin sign-ups are going great. On the first weekend in Dec. we are offering a free stay at the cabin which will give you a chance to check it out. If you are going to ski in North Lake Tahoe and don't already have lodging contact **Lloyd Chase**. The cost is \$250. for a family and \$195 for a single for the year plus a small charge per night for usage. It's a large cabin and can handle groups very comfortably. Cabin information, including a floor plan, is on pages 7 and 8.

Our race team is gearing up and we're looking to improve our standing in Open League. **Dave Cunningham** is ready to take your sign-up form. Call him.

Speaking of racing, if your going on the Steamboat trip, which 70 members are, make sure you sign up to race. Every entry helps our chances to win for best Club. The races are fun and all skiers are welcome.

John Fagan is working hard on putting together our new roster for the year. Please help him out by signing up as soon as possible. Your 2005/2006 membership ended October 30th. If you don't sign up by December 1st, you will be dropped from membership, no longer receive the newsletter, and removed from any trip that you previously sign up for. Also, if you bought discount lift tickets your tickets will be withheld. As you can see it is important to get your sign up form in.

Have a wonderful Thanksgiving.

*Volunteering to have fun,
Walt Johnson*

FOAM FEST !!

TAHOE BILTMORE

NOVEMBER 4, 2006

READ THIS

Greetings!

One TASS's biggest, and arguably most fun, fund raisers is the Foam Fest at the Tahoe Biltmore on November 4, 2006. We are hoping to raise over \$20,000 that night, about enough to pay for the new uniforms we are getting for instructors and volunteers.

Mary has been working hard to bring in a terrific band and over 30 breweries for this event. Now, she needs you help to get the word out.

We are looking for people to help post flyers all over the North Tahoe area, mainly Truckee, Tahoe City, Kings Beach, Squaw Valley and Incline Village. If you might be able to help us with any of those areas let Mary know and she will get the flyers to you - or you can stop by the Program Center and pick them up anytime next week. Contact Mary at 530-581-4161 x205 or email mary@disablesports.net if you can lend a hand.

Tickets are now on sale for the event. Round up some friends to join in the fun of this Tahoe tradition. All the event information is at our constantly improving web-site: www.disablesports.net.

Thanks!

Join the Castro Valley Ski Club cabin this year for a good deal on lodging!

We again plan to lease a cabin in Tahoe-Donner area for the upcoming ski season. This will be the same cabin that has been rented by the Parallelers Snow Sports Club, and subsequently by the Castro Valley Ski Club, each year for over 20 years. The lease will run from approximately December 1, 2006 through April 15, 2007. Membership Fees and nightly usage fees will remain the same as last year (see rates below).

The cabin has 7 sleeping areas comprised of 5 private rooms, 2 group rooms, along with six bathrooms. Total sleeping capacity is approximately 30 persons. There is also an outdoor hot tub. We will not sell more than 45 season memberships so the cabin does not become overbooked. Please keep in mind that even with our limited membership, weekends are sometimes booked 3-5 weeks in advance, so you must plan ahead and make your reservations early. Holidays are especially popular.

We currently plan to open the cabin the weekend of December 1-3. Those wishing to help us prepare the cabin for the season can stay at the cabin free of charge for the weekend. This offer is open to anyone, even if you haven't joined the cabin membership. It's a great way to see the cabin if you haven't decided to join and want to learn more. We are tentatively planning a group dinner on the evening of Saturday, December 2, pending final resolution of the cabin lease dates.

As in past years, the cabin owners will be occupying the cabin for a two-week period, and this year that will be at or near the end of March. Cabin members are not allowed to use the cabin during this period. The exact dates for the owner's use of the cabin have not yet been determined, but we should know by the end of October.

We would like to encourage you to use the cabin on weekdays (and on non-race weekends). The cabin gets very little use on these days and of course, the ski areas are not very crowded. If you get a case of ski fever during the week I'm sure we can find a room or rooms for you in the cabin.

We will have a television with cable access, along with VCR and DVD players and a computer with internet connection for your use. As in past years, we expect everyone using the cabin to clean up after themselves (including the stove and ovens) and leave the cabin in the same condition (or better) than they found it.

There will be two of us managing the cabin this year. Erlyn Lucas will continue as the Reservations Manager, and Lloyd Chase will be managing the cabin business, finances and facilities issues as the cabin Business Manager.

To obtain a complete set of application forms and cabin rules and policies, either attend a club meeting or contact Lloyd Chase, Tel: (925)447-3659; email: skisailloyd@comcast.net. (Cabin members from last year will have these mailed to them automatically).

We look forward to helping you enjoy another great year of skiing. **Lodging Rates:**

The following are per-person per-night rates and are the same for both the group areas and private rooms. These fees are in addition to the annual cabin membership fees:

Rates:

Weekends (Fri. & Sat. nights) & Holidays
